

COMPOUND WORDS

Read the text and underline compound words.

Suzy looked out of the window and pointed to the rainbow.

- 'It isn't raining now!'

She quickly ran downstairs and saw her dad sitting in the armchair.

- 'Daddy, what's the matter? Can I go and play in the garden?'

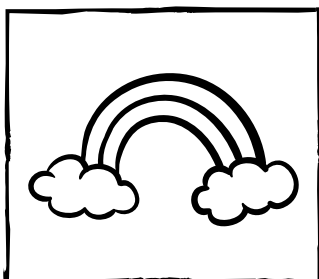

Her dad looked at her and said:

- 'I've got a little headache, darling. You can go but only if you finished your homework.'

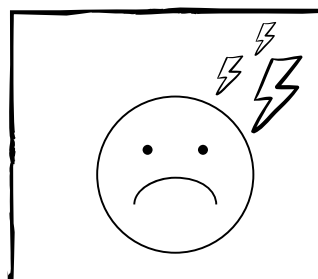

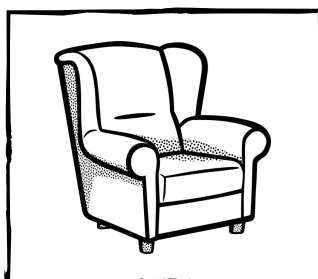

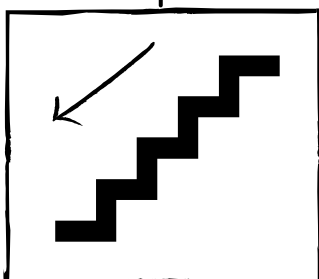

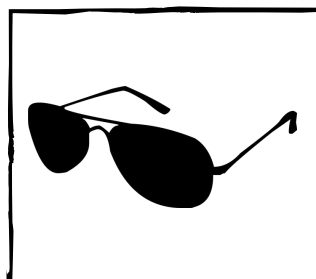

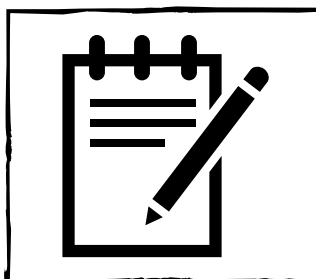

- 'Of course, I did, dad!' - said, Suzy.

She put her sunglasses on and went to the park.

Write the underlined words under the pictures.

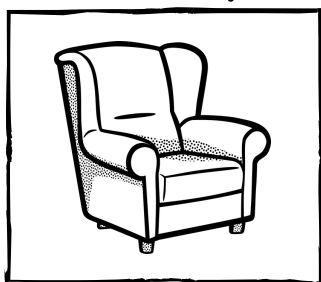

rainbow

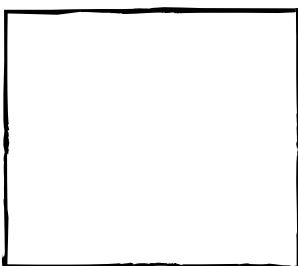

Divide the words into two separate words.

COMPOUND WORDS

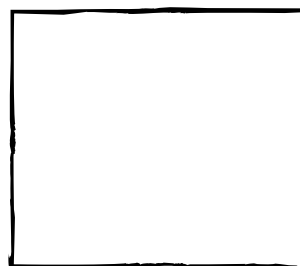

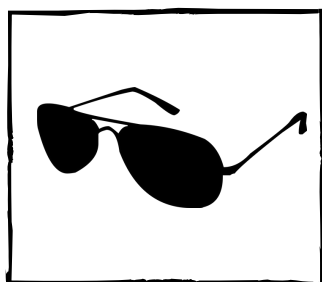

Write and draw the single words that form the compound words.
